TICA Marketing & Business Development, in an effort to improve the processes associated with receiving Corporate Sponsorship through TICA, requests that member show producing clubs submit responses to the enclosed questionnaire for sponsorship consideration. It is felt the completion and timely submission of this questionnaire along with a well-written narrative will enhance the opportunities for club selection by our TICA Corporate Sponsors.

It is recognized that all clubs have an interest in sponsorship; but with limited resources available for distribution, it is imperative that all clubs appreciate that our Corporate Sponsors desire to market their products and services to their best advantage while also providing support to our clubs and TICA as business partners. It is the intent of the TICA Marketing and Business Development to utilize the data gathered from these questionnaires, as well as from other sources, to aid our TICA Corporate Business Partners in the sponsorship selection process.
