## Current Breed Chair

### Candidate for Munchkin Breed Committee

I am asking for your vote, once again, as Munchkin Breed Chair. Our breed needs revitalizing and the breeders need to work together to accomplish this goal.

I pledge to be more active in trying to achieve this.

Blackberry

- Became a TICA member 1994 My membership has never lapsed
- One of the first Munchkin catteries Munchkinlane # 7338
- Personal friends with the founder of the breed, have all her paperwork
- Voluntary Responsible Breeder Program Since 1995
- Traveled extensively early on to make sure enough different cats were shown to meet the TICA requirements to advance. Still showing, including international travel. Many show cats placed around the world. International and regional winners in my lines
- First Munchkin ever championed was my Munchkinlane Agnes, she became a Supreme Grand Champion at the age of 10
- Owner of Munchkinlane Aint No Big Deal, the only Munchkin Longhair to be Best in Show
- <http://ticamembers.org/showrep/2011/110416a.htm>
- Promotion of Munchkins every opportunity, television, encyclopedias, magazines, in person events
- Extreme Knowledge of TICA rules and Bylaws
- Conducted Munchkin Seminars, across US and Geneva Switzerland
- Encouraging breeders to use DNA and post results
- Discouraging the use of other mutations that are detrimental to our dwarf breeds
- Worked with Dr Leslie Lyons to collect DNA samples that resulted in discovering the dwarf gene. Her visited my home and tested every cat of mine + others.
- Show Manager/Entry Clerk Awards: (3) SE Show of the Year, (2) Catalog of the Year, Sportsman of the Year
- Promoting Junior Exhibitors/Mentoring new breeders
- Active in Breed rescue, not just Munchkins
- I was the first appointed chair for the Minuets and hope to serve on that committee as well, so the only 2 dwarf breeds can work together to educate the differences
- I transport animals as my day job taxicat pet transport on facebook
