## Bengal Cats & Kittens (BENGALLEGACY)

Breeder Ads ,United Kindom

### Description

Welcome to Bengal Legacy Cats, here you can find some of the most extraordinary Bengal cats with beautiful markings, wild profiles, but with the softest and kindest domesticated nature. We breed Bengal cats that produce a whole variety of colours from, snow Bengal kittens to silver Bengal kittens and the classic brown Bengal kitten. All of our breeding cats are health screened for PKD, PKDEF, Pra/b and HCM. Our Bengal Kittens are raised inside our children's bedrooms in a loving friendly family environment, socialised by 9 humans on a daily basis this enables us to ensure your Bengal baby will be confident, sociable and have some of the best temperaments your find in this breed.
