

TICA - The International Cat Association

Beautiful Bengals (AMARILLOBENGALS)

Breeder Ads ,Texas, USA

Description

Amarillo Bengal Cattery is a small, boutique Bengal cattery in Amarillo, Texas.

We focus on rosetted Bengals and carefully select our breeding Bengal cats for health, temperament, and beauty.

We believe that keeping a Bengal cattery small enables us to give each of our Bengal cats and kittens plenty of love, attention and excellent care.

Our Bengal kittens are given daily socialization so that when they leave with their new families they will be friendly, playful, active.
