Welcome to the world of British Whiskers, a small in-home cattery of the British Shorthair, located in WA!

Our cattery is devoted to raising healthy, well socialized kittens according to the breed standard, TICA's Code of Ethics and our state laws. We make sure your questions and concerns are answered promptly and thoroughly. Delivery of kittens is available along with virtual tours/zoom/facetime calls for long distance homes. All of our breeding adults are genetically tested and selected against health issues and come from champion bloodlines.

About our kittens:
