Description

TICA Endorsement of Excellence Recipient

Aunt Bea's Natural Pet Treats are made from high quality, restaurant-grade fresh meats that are sold directly

to pet owners. Their specially formulated treats are created from homemade authentic recipes with input from nutritionist and veterinarian . Made from bone broth, fresh vegetables, oats, and high quality rice flour, treats use freeze-dried technology to preserve natural colors, structure, minerals, and raw flavors. Their gourmet treats are available in 3 flavors, including parsley, pumpkin, or turmeric. Available in the U.S. only
