Consent Agenda
The meeting calendar was reviewed with a reminder that the Spring Meeting 2011 would be a telephonic meeting. There was a discussion of the format of electronic meetings, with some members suggesting more days and fewer hours and others preferring a more condensed format. There was also discussion of using a telephonic format for discussion meetings and briefings between regular meetings.

1 Unanimous consent
To accept the Consent Agenda.
Without objection.

Fiduciary
For the benefit of newer Directors and as a reminder for more tenured Directors, the Board reviewed its governance policy concerning Board Ethics and Conduct. Highlighted were provisions which prohibited the disclosure of confidential information, which reminded Directors of their role as ambassadors for TICA and the importance of conducting themselves accordingly, and the responsibility to support the decisions of the Board. Laurie Schiff, Legal Advisor, reminded the Board of their fiduciary responsibility to TICA and the expectation that each Board Member would fully participate in discussions, bringing their knowledge, background and experience, but ultimately making the decisions that they considered in the best interest of TICA.
The Board reviewed the Follow Up report, noting those items which have been completed and those items included in the Agenda. L. Dickie reported on efforts to date on obtaining competitive quotes for printing the TICA Yearbook. President Fisher reported that proposals for Yearbook Editor would be discussed at the Winter meeting. L. Bowers reported on efforts to address the duplicate cattery name issue. After considerable discussion among the Board members, it was determined that the majority of the Board was in favor of leaving the current system of designation in place.

### Presentations

Megan Henkels gave the Board a demonstration on Votenet.com, a company specializing in electronic voting systems. The Board asked questions about security, system capabilities, integration with a paper ballot option, and other general questions about the services available from the company.

She discussed with the Board that, while the organization is expected to show a profit for the fiscal year, it is advisable to review TICA’s various fees and for the Board to discuss, at the Winter Meeting, the possibility of raising some or all of them.

**Discussions**

The President presented the TICA pet urn, which is produced exclusively for TICA by Urns by Heavenly Designs. TICA receives a profit on each urn sold and a commission on other urn designs which are sold through TICA's website.

As a followup item from the Spring Meeting, a Board discussion was led by Laurie Schiff, TICA Legal Advisor as to TICA's role in complaints between breeders as opposed to complaints between a pet buyer and a breeder. Ms. Schiff explained that TICA's long-standing philosophy has been that disputes between breeders is regarded as a dispute between peers. TICA does not generally become involved in resolving this type of dispute. On the other hand, if a pet buyer has a contract with a breeder and the contract specifies that the buyer is to receive registration papers, TICA may become involved in resolving the issue in favor of the pet buyer through the hearing process.

At the request of individual Directors, various other topics were opened to general discussion:
- Assessing fines if a complaint is upheld.
- Amending rules to allow a kitten a full show season.
- Registration of HHP kittens

The Board then conducted a Regional Roundtable discussion wherein each Director shared successes, issues, and challenges within their respective regions.

### Demonstrations

Deb Decker, Marketing Director and Lesley Hart, Webmaster, presented an update on and demonstration of TICA U. Flyers and cards were to be handed out at the Annual, announcing the new website. As the project needed another ten days before it could go “live”, Lesley Hart previewed a “landing page” that would direct people to sign up in advance of the official kickoff of the website. The Board offered suggestions for the landing page.

Larry Hart and Lesley Hart presented a demonstration of an online business application. The primary feature of the application would be to allow people to order and pay for titles for their cats. The practical effect of developing this application, however, is that the infrastructure is created to allow clients to have their own unique account and pay securely online. Future applications are planned to include Membership (new and renewal), and registrations of litters and cats, where the breeder and owner are the same person.

The NW 2013 Consortium presented a proposal to host the 2013 Annual.

Addendum
ARTICLE THREE
(\textit{NOTE: Existing articles following will need to be renumbered.})

\textbf{Application of Trainees in Remote/Developing Areas}

43.1 In order to foster the growth of TICA in remote areas of the world, TICA must be able to encourage potential applicants to enter the judging program without the hardships of meeting current training program pre-requisites. The \textbf{Remote/Developing Area} Judging Program will be in effect for overseas trainees entering the Judging Program until that area is considered by the Board of Directors to have established a TICA licensed judging population able to handle the demands of TICA shows being produced within said area. After that time, new applicants may continue to apply to the program, but it will be under the regular and current rules of the Judging Program.

43.2 Anyone may apply to the Judging Administrator/Designee for acceptance as a Trainee in the TICA Remote Area/Developing Country Judging Program. It will be the decision of the Board of Directors and the Judging Administrator/Designee which areas of the world are to be considered remote/developing.

43.2.1 Applications must be received by the Judging Administrator by May 15\textsuperscript{th} for application at Annual, by October 15\textsuperscript{th} for the Winter Meeting and by January 15\textsuperscript{th} for application at the Spring Meeting.

43.2.2 The Board of Directors may require additional work or make certain exceptions when circumstances or experience warrant and may take the liberty of reviewing applications on a case by case basis. If an applicant is applying for acceptance into the Judging Program from a country not having a strong TICA presence, s/he has the option of applying using the following guidelines or using the guidelines in place for the current Judging Program. Once a TICA presence has been established to the satisfaction of the Board of Directors, the opportunity to apply to the TICA Judging Program will revert back to the regular process guidelines to be followed for application.

43.2.3 Names and photographs of applicants MUST be sent to the Judging Administrator with their request for publication in two issues of the TREND prior to having their application considered at a Board Meeting. The Judging Administrator will then notify the TREND Editor to place the names in the Notice of Intent Listing in the TREND. TICA members shall be invited to send comments, favorable and/or unfavorable, to the Judging Administrator/Designee and to the applicant’s Regional Director. \textbf{No application will be considered by the Board unless this requirement has been met.}

43.2.4 Answers to questions on the Application Form must be submitted in English.

43.2.5.11 Must have served as a Master Clerk 1 time, followed by completion and passage of the Master Clerk licensing exam.
43.2.5.12 Must have served as a TICA Entry Clerk 1 time. If this requirement becomes a hardship in obtaining a contract from a club, with the approval of the Judging Administrator, the applicant may be permitted to take the Entry Clerking licensing exam one time to see if they are able to pass without the one time experience. If passage is failed, then the one time entry clerking assignment will need to be fulfilled and the test re-taken post-assignment completion.

The applicant must score 95 per cent or higher on the examination, and all questions missed must be answered correctly. If the applicant fails to complete the examination within the time allowed, application may not be re-submitted for 6 months.
   43.5.1 Application and examination must be received NO LATER THAN May 15th for application at the Annual, October 15th for application at the Winter Meeting and January 15th for application at the Spring Meeting.
   43.5.2 Upon successful completion of the examination, the Judging Administrator will submit the applicant’s name for consideration by the Board for acceptance into the TICA Judging Program.

43.6 The Board of Directors will consider the applicant’s knowledge, ability and experience in breeding, showing, clerking, show management and club activity. The Board will also consider the applicant’s personal appearance, deportment, attitude and any other factors it deems appropriate.

43.8 Advancement will follow current TICA Judging Program requirements.
