

Candidate for Breed Committee for American Curl (AC & ACL) for
Linda Bull
Curl Essence American Curl

I would like to remain on the American Curl Breed Committee for another term. I have work closely with both Joe and Grace Ruga over the past term to promote this breed and to educate the public and judges of the correct features of our amazing breed. The 3 of us worked well together to update the Breed Standard and present education seminars. There's still work for us to do and we would appreciate the confidence of AC members to continue with our plans.
