Use of Cattery Names

A cattery name is a permanent record of the Association and may not be changed. However, you may register as many cattery names as you wish.

Your cattery name may only be used as a prefix when you are the breeder; it may be used as a suffix when you are the registered owner of the cat. When transferring a cat into your name you may drop the suffix and add your cattery name for a fee of \$10 for each addition or deletion.

Please refer to Registration Rules, Article Eight for additional information.
