Scoring Method: Complete the form by marking the appropriate check box for each of the criteria. Enter the total number of ratings for each column in the line "Totals". Multiply the total number of "Excellent" ratings by 2 and enter this figure on the line following "Excellent". Enter the total number of "Satisfactory" ratings on the line following "Satisfactory". Add the two figures together and enter this value on the line following "Score". The best possible score is 88 points. A score of 75 or higher is required in order to apply for an "Outstanding Cattery Certificate".

Any unsatisfactory answer under the Requirements section is an automatic disqualification for the cattery.

E = Excellent S = Satisfactory U = Unsatisfactory
