

Above are generations of Brightstone Ragdolls.

Hi my name is David Nudleman and I am running for the TICA Ragdoll Breed Committee.

I believe that it is a privilege and an honor to be elected for a breed committee and I take this very seriously. I want to represent our breed group to the best of my ability and I believe that I would be a great ambassador for the Ragdoll Breed.

My extensive knowledge and experience with showing, breeding and judging Ragdoll cats will allow me to work towards the betterment of our breed. As a dedicated Ragdoll cat breeder for over two decades, I possess a deep understanding of the breed's unique characteristics, health concerns, and responsible breeding practices. My involvement in various feline and ragdoll cat clubs and organizations showcases my commitment to the breed's welfare and promotion. My insights and expertise would allow me to contribute to the committee's decision-making process and help implement measures to safeguard the breed's standards, health and well-being.

With my passion for the breed and proven track record, I feel that I would serve our breed group to the fullest. I am an exceptional communicator and my leadership skills make me an excellent choice for the committee as well.

Lastly my goal is the expansion of education for the entire breed group by developing courses, seminars and video presentations that would help guide all breed group members and the judging panel. It is my hope to maintain our standard to represent the best version of the Ragdoll breed. Thank you for your consideration and vote. I look forward to seeing and

talking to you at one of the shows.
