

JANE ALLEN

APPLICATION FOR MEMBERSHIP OF THE PERSIAN BREED GROUP

I have been honoured to serve as Chair of this group for the last three years and would like to offer my services to the breed group for a further term.

I am an approved all breed judge in TICA and have been fortunate to judge in many different countries and handle our breeds in many places.

As a ring and school instructor I have trained many of our up and coming judges and had the chance to give them hands on experience of our breeds particularly.

We are currently facing a challenge to our breeds in several countries in Europe certain groups consider them to be unhealthy and not viable. I consider it is our responsibility as a breed committee to champion them as healthy and to ensure that our standards support this. The breed group is therefore working to enhance our current standards to ensure that as breeders we are aware of the potential challenges we face and to make sure that we breed with the health and wellbeing of our cats as paramount.

During the past 3 years we have produced a new breed seminar that has been delivered to TICA judges and it will be re run at the 2023 annual show.

To celebrate our top award winning exhibits at the 2023 annual we are offering breed awards to our top winning adult, kitten and alter. We hope this will encourage as many of our breeders to come and show this year and say hi to your breed group members in person.

We have tried to introduce a Facebook page for the Breed Group and would like to have this used more actively in the future to promote our breeds and this is work in progress for the breed committee.

I still continue to breed on a very small scale and continue to produce RW and IW in both persian and exotics.

Thank you for reading my supporting notes and I hope you will feel you can support me in seeking a further three years representing you all.
