Description

TICA Endorsement of Excellence Recipient

Pet King Brands provides safe, non-toxic, and easy-to-use solutions for healthy feline ears, skin, and mouths. For more than 20 years, Pet King Brands' veterinarian-recommended Zymox® skin and ear care products and Oratene® brushless oral care products have provided healthy, non-toxic pet care solutions that help people care for their cats ear, skin, and oral health needs. Zymox and Oratene are enzyme-based products that utilize the patented LP3 Enzyme system and are free of harsh chemicals and antibiotics. Zymox skin care products are designed to quickly and easily sooth and calm a cat's sensitive, irritated or allergic skin. Zymox ear solutions provide relief for cats with problematic ears without the need to pre-clean inflamed ears or use antibiotics. The Oratene brushless oral care provides superior oral care and effortlessly helps keep the cat's breath fresh and teeth clean.
